

Reserve your site by calling the Park at [336 597 7806](tel:3365977806) (online reservation is possible but not user friendly - I don't recommend it). The rally is from 13 to 16 September 2018. I talked to the Park staff, and if someone has a change in plans, you can receive a refund if you cancel with two weeks notice. Please choose a site appropriate for your rig - don't take a site larger than you need so everyone can fit.

We will send out a complete agenda closer to the date but it will include an arrival dinner, should include a tour of a local manufacturer, and a group dinner Saturday night. We will have plenty of time to enjoy the Park, which includes kayak and canoe rentals, fishing, horse shoes, frisbee golf and miles of walking/hiking trails. Weather permitting we will also have some pontoon rides.

We look forward to seeing you in September! Best regards, John and Nancy
